

ADVANCED
FACILITATOR TRAINING
IN
FAMILY & SYSTEMIC CONSTELLATIONS
An Experiential Trauma-Sensitive Approach
Five Days in October 2019

This 5 day training is for those who have taken one or more 16-20 day Family and Systemic Constellations training and want to enhance their facilitator skills, deepen their knowledge of the principles of this work, and continue their personal development.

Personal Work will include “in depth student healing” of unresolved personal traumas including shame and inhibited grief, shadow work, systemic entanglements, and softening insecure attachment styles.

The **Facilitator’s Stance** will be enhanced through creating safety, presence, energetic boundaries, pacing, titrating, resourcing, invitational language, gentleness, and nonjudgment.

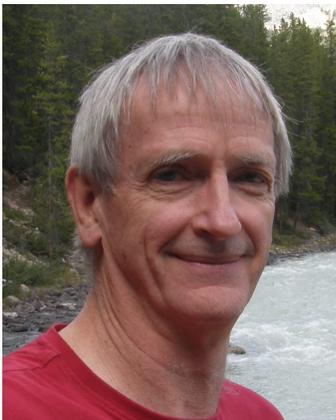

Facilitation Practice will focus on building skills and confidence, including ‘not-knowing’ and ‘not-doing,’ having multiple awareness, exploring helping pitfalls and mentoring client sessions.

The training will revisit and expand on an experiential understanding of the **Foundational Principles** of Bert Hellinger’s Orders of Love, Orders of Helping and Levels of Conscience.

We will deepen **Knowledge** of unresolved trauma including survival physiology and developmental trauma, attachment styles, and family dynamics including abortions, miscarriages, parentification, incest, second relationships, blended families and adoptions.
